Enhanced Staged Reading

Baltimore Center Stage, 2025

December 2024: *Canton Waterfront* was commissioned by Baltimore Center Stage as one of three plays supported in the inaugural year of the Lab410 new play development program. During the four month residency, *Canton Waterfront* progressed from outline to completed first draft

April 2025: Final residency presentation at Baltimore Center Stage, public reading with actors at music stands.

August 2025: After the conclusion of the residency, Baltimore Center Stage selected *Canton Waterfront* for continued development in a two week workshop. The process culminated in two performances as an enhanced staged reading, incorporating design elements and actors with script in hand
